Gentlemen:

Thank you very much for Contract SL-1661. You will find enclosed two signed copies of the document.

25X1D

We have scheduled the system called for under Part I of the proposal to be ready for installation by July 18, 1963. However, [REDACTED] have not yet been supplied to us by the other contractor; therefore the date for part I may have to be extended to conform with the schedule for the overall program and test schedule. The funds appear to be adequate for the work called for under the contract.

We are looking forward to serving you.

Sincerely yours,

25X1A
